Traffic

If you plan to visit on a Saturday between Thanksgiving and Christmas we recommend you arrive early - before opening time - or after 8:30pm to avoid peak/heavy traffic on the roads into the village which can be heavy between 5:30-8:30PM.

All other nights and times experience minimal traffic, crowds or wait times!

Tours

There are no organized/guided tours at Koziar's Christmas Village. You walk the grounds at your own pace and the paved pathways are well lit and clearly marked with "street signs" and arrows to help you discover all the special sights of Christmas Village.

Since there are both outdoor and indoor displays, many visitors spend on average one and a half hours viewing the displays and exhibits, visiting with Santa, enjoying refreshments and snacks and shopping in the souvenir, gift, and ornament shops. Don't forget to dress warm!

Visiting Santa: Pictures with Santa are \$10. Santa receives visitors every night - but his **last night is December 23** (then he's off to the North Pole!).

Pets not allowed at Christmas Village

We love animals but due to insurance issues, the safety of your pet and visitors, and township health regulations, we do not permit family pets. The only exception to this rule is for guests who are accompanied by trained guide dogs.
